

FUND RAISER/BENEFIT FOR  
THE BRENNAN DONNER FAMILY

# BALANCE — FOR — BRENNAN

Brennan Donner is a 5 year old who was diagnosed with autism — a neurological disorder which causes only parts of the brain to function. To help reconnect both hemispheres of his brain, Brennan needs therapy available through the help of the Brain Balance Program, which is not covered by any insurance. So please stop by and help Brennan get the treatment he needs.
